Skills

- Creativity
- Flexibility
- Project management
- Willingness to learn
- Pattern Making
- Software Skills (Adobe InDesign, Adobe Illustrator + learning CAD & VStitcher)

About me

Young fashion technology student with a passion for pattern making with entry-level experience in design projects.

Self-motivated and adept at collaborating with creative teams to conceptualize and produce innovative work. Eager to gain more experience in the industry to set a creative tone and inspire unique ideas and concepts.

Experience

Assistant Production

Paule Josephe

2022

- I assisted in the production of a collection of one-of-a-kind upcycled embroidered shirts & pants.

Apprenticeship Leather goods

Atelier Liesbeth Verhelst/ ZLQ

2023

- I specialized in developing patterns, crafting initial prototypes, and scaling intricate patterns using Adobe Illustrator.
